WOMAN'S WOES.

Potosi Women Are Finding Relief at Last.

It does not seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep np," must attend to duties in spite of constantly aching backs, or headsches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps

and cures the kidneys.

Mrs. Stillwagner, living at 6969 Marquette Ave., St. Louis, Mo., says:
"Doan's Kidney Pills are note new remedy to me for I have known of them for at least ten or twelve years. I first used them when living in Mt. Carmel, Pa., and they cured me at Cole, minor; annual settlement.
